Dear Maxine

Thank you for consulting Natural England on the further advice and reasons regarding the Earls Barton Neighbourhood Plan. We note that the letter and accompanying Appendix A, prepared by the Borough Council of Wellingborough, explains the reasoning for the determination that SEA would not be required for this plan. We acknowledge that Natural England's previous comments and responses on this issue have been incorporated into the table within Appendix A and we therefore have no further comments to make.

If there is anything further that you would like to discuss on the matter please do not hesitate to contact me.

Kind Regards

Roslyn Deeming
