640 households in the Ward have 'Dependent children in household: All ages'. That represents 21.60% of the Ward's households.

Employment

The following chart provides a breakdown of the Swanspool Ward by socio-economic classification for all residents aged 16 – 74.

The National Statistics Socio-economic Classification (NS-SEC) provides an indication of socio-economic position based on occupation. It is an Office for National Statistics standard classification. To assign a person aged 16 to 74 to an NS-SEC category their occupation title is combined with information about their employment status, whether they are employed or self-employed, and whether or not they supervise other employees. Full-time students are recorded in the 'full-time students' category regardless of whether they are economically active or not.

Residents by NS-Sec (count)

NS-Sec: Higher managerial, administrative and professional	263
