Subject: RE: Neighbourhood Plan - Village Boundary

Dear Mr Coulton,

Many thanks for your email and apologies for the oversight in not including New Lodge within the village boundary.

I have revised the line of the boundary in the plan attached to include both of the properties but in line with the boundary criteria on page 16 of the plan have not included the wider garden areas which is similar to other areas on the plan.

I hope that this addresses your concern and I will ensure that this gets take through as an amendment for the submission plan before it goes through its next round of consultation by the Borough Council of Wellingborough.

Kind regards

James

Hello James,

Thank you very much for the letter with information about the Draft Neighbourhood Plan.

We have noticed that New Lodge and New Lodge Vineyard are not included in the village boundary plan on page 14.

I spoke with Colin yesterday and he thought it was an oversight and suggested I email you with a plan showing the two properties and make a request that both properties be included within the village boundary.

I have highlighted the two properties on the attached plan.

Kind regards
Sara & Mike
