Dear Maxine,

Thank you consulting Anglian Water on the implications of the North Northamptonshire Pre-submission Core Strategy for the Earls Barton Neighbourhood Plan. I would be grateful if you could confirm that you have received this response.

Policy 29 of the Core Strategy states that the identified housing requirements for named villages including Earls Barton could be exceeded where it is tested through a Part 2 Local Plan or Neighbourhood Plan. The proposed scale of housing development set out in the Neighbourhood Plan is currently being considered as part of the ongoing examination.

Therefore Anglian Water has no comments relating to the implications of the Core Strategy for the Earls Barton Neighbourhood Plan.

As previously stated we would wish to be notified of the outcome of the examination and any subsequent decision made by the Council relating to the Neighbourhood Plan.

Regards,

Stewart Patience
