Thank you for consulting Northamptonshire County Council on the draft Neighbourhood Plan – I am responding on behalf of Lead Local Flood Authority (including both the Flood and Water Management Team and the Surface Water Drainage Team).

We have reviewed the document and welcome policies to reduce flood risk on developments and the inclusion of Sustainable Drainage where possible to provide multiple benefits.

Our new website [www.floodtoolkit.com](http://www.floodtoolkit.com) contains a wealth of information relating to flood risk. Specifically you may be interested in our guidance relating to Neighbourhood Planning which can be found at <http://www.floodtoolkit.com/pdfs/22.%20Neighbourhood%20planning/22.Neighbourhood-planning.html>.

Yours Sincerely,

Ruth Burnham, Senior Flood and Water Officer
