Plan for the Borough of Wellingborough: Proposed Main Modifications

The Borough Council of Wellingborough has published Proposed Main Modifications to the submitted plan together with supporting documents, for a six week consultation period from Tuesday 10th July to Tuesday 21st August 2018, to enable public representations to be made.

Representations

Representations relating to the soundness of the Proposed Main Modifications to the Plan for the Borough of Wellingborough must be received by **5pm on 21 August 2018**.

Comments should be made using our [online consultation portal](#) or on the representation form produced for this purpose. This ensures that the Inspector is provided with all the relevant information. Forms are available both electronically on the [website](#) and in paper form from the locations below.

Representation forms should be sent:

by email to: policyandregeneration@wellingborough.gov.uk

by post to: Planning Policy, Borough Council of Wellingborough, Swanspool House,
Doddington Road, Wellingborough, NN8 1BP

Representations may be accompanied by a request to be notified, at a specified address, of any of the following:

- The publication of the Inspector's Report of the examination
- The adoption of the local plan by the council

Availability of Documents

The List of Main Modifications, a Schedule of Minor Modifications, a Schedule of Modifications to the Policies Map, as well as a Sustainability Appraisal Addendum and a Habitats Regulations Assessment, are available for inspection during the consultation period in the council offices at Tithe Barn Road, Wellingborough and all libraries in the borough (during normal opening hours). These documents plus all associated background and evidence base documents are available online on the council's website www.wellingborough.gov.uk.

As the Schedule of Minor Modifications and Schedule of Modifications to the Policies Map do not impact upon the soundness of the Plan, comments on these will be considered by the council. Responses to the Schedule of Main Modifications will be forwarded to the Inspector for his consideration.
