

Economic Strategy Refresh

Consultation Questions

1. In light of the most recent, detailed SWOT analyses undertaken for this review, are the priorities identified in 2011 still relevant for the council and its partners?
2. Are there any additional / alternative priority areas that should be considered?
3. Are there any additional activities that should be pursued within the priority areas?
4. If so, who will lead on these activities and how will their success be measured?
