5 Background

This presentation forms part of the general programme for the Partnerships and Performance Committee, reviewing the work of partners.

6 Discussion

- 6.1 The committee receives presentations from organisations who are either funded by the council, or who play an important part in the life of the borough.
- 6.2 Each presentation gives members an opportunity to learn more about the organisation and its impact on the borough. After the presentation there is a chance to ask questions of the presenter.
- 6.3 If any items of significance arise, members may wish to request a further report from a relevant officer or make a recommendation for action by a policy committee.
- 6.4 The council works in partnership with the MoJ on the WPP – specifically via the multi-partnership, MoJ-led People and Skills Steering Group. This group manages the operational delivery linked to the peoples and skills commitments for the WPP. The planning application process is out of scope for the presentation as this is being progressed via the Planning Committee.

7 Legal powers

The Local Authorities (Alternative Arrangements) (England) Regulations 2001 empower the council to establish one or more overview and scrutiny committees. Whilst the council no longer has a designated overview and scrutiny committee, the Partnerships and Performance Committee has been given the role of reviewing and monitoring the performance of council services and services provided on behalf of the council by external bodies. A local authority may invite persons other than members or officers of the authority to attend meetings of such a committee.
